PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby petitions that the holding of abandonment of the above-identified patent application be withdrawn under 37 C.F.R. § 1.181.

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the United States Patent and Trademark Office. The date of abandonment is the day after the expiration date of the period set for reply in the Office notice or action plus any extensions of time actually obtained.

Applicant timely filed a response with the USPTO using a certificate of mailing under 37 C.F.R. 1.8(a). Attached is a copy of the papers filed with the USPTO on May 25, 2004. A copy of

the check submitted with the papers on May 25, 2004, indicating that the check was cashed is also enclosed . Also enclosed is a statement in compliance with 37 C.F.R. 1.8(b).

The abandonment of the patent application did not come to Applicant's attention until the Notice of Abandonment mailed from the USPTO on 09/13/07 was received by Applicant.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is submitted, therefore, that on the basis described above the abandonment should be held to be inadvertent, the enclosed Response to Missing Parts should be entered and the case revived.

No petition fee is required. The Director is hereby authorized to charge a fee if it is required, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 23/2825, under Docket No. C1041.70005US01.
